Mandatory Reporting
POLICY

Rationale:
• All children have a right to feel safe and to be safe. As teachers, we have a legal and moral responsibility to respond to serious incidences involving abuse and neglect of the children with whom we have contact, and to report instances that we believe involve physical abuse, sexual abuse or neglect.

Aims:
• To ensure that children’s rights to be safe are maintained and each child is protected against physical and sexual abuse, and neglect.

Implementation:
• All members of the Teaching Service are mandated by law to report signs of physical and/or sexual abuse, and neglect.
• Any staff member who forms a reasonable belief that a sexual offence has been committed in Victoria by an adult against a child under 16 must disclose that information to police. Failure to disclose the information to police is a criminal offence, except in limited circumstances such as where the information has already been reported to DHHS Child Protection. The offence applies to all adults in Victoria, not just professionals who work with children.
• New staff will be informed of mandatory reporting responsibilities and procedures as part of their induction procedure.
• Staff will be reminded of mandatory responsibilities annually.
• All concerns must be reported immediately to the Principal, or in his/her absence, the Assistant Principal.
• The Principal &/or Student Wellbeing Officer will keep a record of all discussions about a student with whom there is a concern.
• If a belief has been formed by a staff member that sexual or physical abuse has taken place a “Mandatory Reporting Information Sheet” available from the Principal must be completed and filed in the Principal’s office.
• The teacher and/or the Principal class officer will contact the Department of Human Services by telephone as soon as possible to make an official notification on: 1800 020 202 or after school hours crisis line 131278
• Members of the Department of Human Services, or associated support or intervention services that visit the school following a notification, will interview staff and children only in the presence of a Principal class member or his/her nominee.
• All “Mandatory Reporting Information Sheets” remain filed in the Principal’s office.
• All reports, information sheets and subsequent discussions and information are to be recorded and remain strictly confidential.
• All incidents to be monitored, and any subsequent signs or indications of abuse are also to be reported.
• While only mandated by law to report incidents of physical and sexual abuse, teachers are also encouraged to report incidents of emotional abuse or neglect
• Students who disclose to staff a desire to harm themselves or others, must be reported by staff to the principal.
